

Construction Parking

Below are a few rules that will help Carillon Beach remain safe for all as related to construction activities. Property Patrol will start issuing citations for compliance purposes:

- **Do Not Park in gravel areas in front of another home**
- **Do Not Park in the Street**
- **Do Not Park on or block sidewalks in any way**
- **Do Not Block any Driveway. Blocking a Driveway will result in towing at vehicle owner expense.**
- **Do Not Park in front of Walkovers or in any HOA parking areas**
- **Parking is permitted on gravel in front of vacant properties**
- **Please Park and walk or ride share to sites from gravel areas in front of vacant properties**
